#### **Crockett Facilities Services Earns Prestigious Mechanical Service Contractors of America Star Qualification**

*CFSI Recognized as a Top Mechanical Service Contractor for Delivering High-Quality HVAC Service*

**BOWIE, MD** (March 15, 2011) — [Crockett Facilities Services, Inc. \(CFSI\)](#), a leading provider of building operations and maintenance, mechanical contracting and HVAC services to government and commercial clients, today announced it has been awarded the [Mechanical Service Contractors \(MSCA\) Star Qualification](#). The MSCA Star excellence achievement designation offers proof to building owners and facility managers that CFSI is providing the highest level of skill, quality, value and professionalism in the industry, having surpassed stringent business and HVAC service standards set forth by MSCA.

“This achievement is a testament to our ongoing training programs, robust safety plans and standardized procedures,” said Cindy Crockett, president of CFSI. “We are proud to join the eight companies in Maryland and 145 companies throughout the United States which have received MSCA Star status. Our MSCA STAR designation illustrates our skilled technicians’ commitment to excellence in customer service.”

Contractors who achieve MSCA STAR Qualified status belong to an elite group. These contractors have verified that they:

- Uphold a strict code of business ethics
- Employ the best trained and most qualified workforce
- Maintain a safety record above the industry average
- Offer outstanding customer service, and
- Focus on continuing education and training for all employees.

A third-party review committee set up through the National Inspection, Testing and Certification Corporation (NITC), a leading testing and certifying organization that is ISO 9001:2000 certified and an ANSI accredited certifier, determines qualification based on documented proof of criteria submitted by contractors. When the health, safety and comfort of building occupants are on the line, it is vital to hire a highly competent MSCA STAR contractor.
