**Crockett Facilities Services Earns Ranking on *Engineering News-Record* Top 600 Specialty Contractor List**

**BOWIE, MD** (November 3, 2014) — [Crockett Facilities Services, Inc. \(CFSI\)](#), a leading provider of integrated facilities services, mechanical contracting and heating and air conditioning (HVAC) services to commercial and government clients, made the *Engineering News-Record* Top 600 Specialty Contractor List for the second consecutive year, ranking at 454. The list ranks specialty contractors across the United States based on annual revenue. It was published in the October 20/27, 2104 issue of *ENR*, a McGraw-Hill Companies magazine.

*“At Crockett Facilities Services, we add value to our customers by providing a full range of solutions based on each customer’s unique needs,” said Mark Crockett, vice president of Crockett Facilities Services. “Our integrated solutions – from 24/7 mobile HVAC services to on-site engineering and janitorial services – offer commercial customers a single source for all their building maintenance needs. Our growth in the commercial sector is a reflection of our customer focus to deliver exceptional service and value.”*

In 2014, Crockett Facilities Services, Inc. was also included in the *Washington Business Journal*’s list of top mechanical contractors, top women-owned businesses and the Inc. 5000 list of fastest-growing private companies in America by *Inc. magazine*.

**About Crockett Facilities Services, Inc.**

Crockett Facilities Services, Inc. (CFSI), a woman-owned mechanical contractor, delivers integrated facilities services, building operations and maintenance, mechanical contracting and heating and air conditioning services to commercial and government clients. CFSI’s preventive maintenance programs, encompassing mechanical, electrical, energy management and HVAC services, help business owners, property managers and data center /IT managers to reduce energy costs, extend equipment life, maintain tenant comfort and decrease downtime.
