**Crockett Facilities Services Named a Top Women-Owned Business by *Washington Business Journal* for Second Consecutive Year**

**BOWIE, MD** (September 25, 2014) — [Crockett Facilities Services, Inc. \(CFSI\)](#), a leading provider of integrated facilities services, mechanical contracting and heating and air conditioning (HVAC) services to commercial and government clients, has been recognized as one of the Top 25 Women-Owned Businesses in the Washington, DC metropolitan area by the *Washington Business Journal* as published in the September 12<sup>th</sup> issue. Based on 2013 total revenue of \$28.6 million, Crockett Facilities Services, Inc. ranked sixth. This is the second consecutive year that the company has been included in this list.

*“We are pleased to be recognized on this list again this year,” commented CFSI president Cynthia Esparza Crockett. “We have expanded our business development and mobile services teams to grow our commercial business, focusing on servicing property management companies in the Washington, DC metro area. Our growth is built on the foundation of developing long-term relationships with our customers on all levels.”*

In 2014, Crockett Facilities Services, Inc. was also included in the *Washington Business Journal*'s list of top ten mechanical contractors and the Inc. 5000 list of fastest-growing private companies in America by *Inc. magazine*.

**About Crockett Facilities Services, Inc.**

Crockett Facilities Services, Inc. (CFSI), a woman-owned mechanical contractor, delivers integrated facilities services, building operations and maintenance, mechanical contracting and heating and air conditioning services to commercial and government clients.
