23rd Ranking Illustrates Company's Growth, Innovation and Community Service

BOWIE, MD (November 3, 2011) — [Crockett Facilities Services, Inc. \(CFSI\)](#), a leading provider of building operations and maintenance, mechanical contracting and HVAC services to government and commercial clients, today announced that *The Gazette of Politics and Business* listed CFSI number 23 out of 53 top businesses and organizations in the State of Maryland. The selection is based on the recipient company's annual revenue and employee growth as well as noteworthy product or service innovations, community service efforts, how they have steered their way through the economic downturn, and how the companies portrayed themselves as "good places to work." Over 100 applications were submitted representing nine counties and over a dozen industries.

Crockett Facilities Services, Inc. was recognized for its exceptional growth during the last three years as well as its community service programs including Operation USO Care Package and Backpack Drive for Prince George's County First Annual Back to School Fair.

"To make the 53 list is a great accomplishment," said Cliff Chiet, publisher of The Gazette P&B. "This year's list features companies from the State of Maryland that have had success in a wide variety of fields, and each company deserved recognition of their accomplishments."
