Crockett Facilities Services Ranked Among Top 10 Mechanical Contractors in Washington, DC Metro Area
Included in the Washington Business Journal list for the second year running

BOWIE, MD (July 31, 2012) — [Crockett Facilities Services, Inc. \(CFSI\)](#), a leading provider of building operations and maintenance, mechanical contracting and HVAC services to government and commercial clients, is among the top 10 mechanical contractors for the second year in a row in the Washington, DC metro area. The ranking, based on 2011 metro-area revenue, is published in the July 27-August 2, 2012 issue of the *Washington Business Journal*. According to the WBJ data, Crockett Facilities Services now ranks as the 8th largest mechanical contractor after posting metro-area revenues of \$19 million in 2011 – a 25% increase from the previous year.

“CFSI continues to implement an aggressive growth strategy focusing on both the federal and commercial markets,” said Mark Crockett, vice president of Crockett Facilities Services. “Our company continues to target resources towards developing long-term relationships with our business partners that value integrity, safety and excellent service.”

About Crockett Facilities Services, Inc.

Crockett Facilities Services, Inc. (CFSI), a woman-owned, [MDOT MBE](#) contractor, delivers building operations and maintenance, mechanical contracting, heating and air conditioning services to commercial and government clients.
